

FAMILY TIME (0-5 YEARS)

Bringing children of all ages together provides a dynamic and integrated learning experience for everyone. So we took favorite Kindermusik songs and activities and rolled them into a fun, family class where each child is welcomed and valued and family "together time" is celebrated and cherished. This semester is our "Milk & Cookies" class.

KATIE SHINDEN As a new mom, Katie discovered the wonders of Kindermusik when she and hubby Bruce brought their twins Seth and Kira to their first Village class at the age of 5 months. They are now 6 years old and are Kindermusik veterans, and 3 year old Tessa

loves her Imagine That class! Katie has had a lifelong passion for music that includes singing in choirs and playing piano during her childhood, being a radio DJ on KCSB and KUSF from 1987-1999 as well as a ten-year stint as a bass guitarist and vocalist in an all-female rock 'n' roll band.

MOLLY MARKSTRUM A licensed Kindermusik Educator, Molly attended Columbia College in Chicago where she performed and studied music. She plays several musical instruments including piano, cello, guitar and percussion. Her beautiful soprano voice has gained her a

position in the Santa Barbara Choral Society. Molly has also taught Kindermusik in the Santa Barbara area and her passions are composing music and working with young children. She has been around music and children for her whole life and has been enjoying getting to know the Kindermusik families in the Ventura area.

ANDREA KING Andrea has been an active music educator in the Ventura & Los Angeles Counties for 10 years teaching instrumental, choir, and general music lessons. She holds a Bachelor of Music Degree and California Teaching Credential from California State University,

Northridge as well as a Master of Education degree in Psychological Studies in Education from the University of California, Los Angeles. Her passion for giving young children the opportunity to explore and learn through music led her to teach with Kindermusik. Andrea hopes to use her education and experience to promote a better understanding of children's developmental needs through music.

Each Kindermusik class is a world of discovery and adventure. In every class, you'll witness your child's developmental evolution in language skills, literacy, listening, problem solving, social skills, self-esteem, and musicality. And it happens within a nurturing environment—full of energy, imagination, music, dancing, and playful delight.

Kindermusik provides the time and tools to help bring the power of music into your home and your child's life forever. An integral part of every Kindermusik program, your Kindermusik At-Home Materials include the highest-quality music CDs, creative activities, beautifully illustrated children's books, and specially designed instruments—created to complement the music and Kindermusik classroom experience.

VILLAGE (3-18 MONTHS)

Zoom Buggy!

For lap babies, crawlers, and walkers. Zoom Buggy!—Swoosh, vroom, and clickety-clack your way through this unit. Dance, sing, and play instruments to the theme of being on the go. Chug around the room to the song “Little Red Caboose,” hold on tightly while “Riding in the Buggy,” and dance your way to “Zoom-e-oh!” Engage in rituals and playful activities such as infant massage, lap bounces, exercise, and quiet time. *Home Materials: Colorful board book of different vehicles—Zoom Buggy, CD, a set of Art Banners for the nursery wall and a Zoom Car baby instrument for music-making at home.*

OUR TIME (1.5-3 YEARS)

Milk & Cookies

Make everyday home activities and chores easier and more fun with music! Baking cookies, eating cupcakes, blowing on hot cross buns, wiggling like jelly, going grocery shopping and making tea are all represented in familiar as well as new songs. Move, play, and sing together in developmentally appropriate activities created just for 1 ½ to 3-year-olds. Capture the familiar and new moments of the day and learn how music can impact your toddler. *Home Materials: Double CD featuring songs from class; two books, two CDs, stir xylophone instrument, and a Home Activity Book—all arriving in a durable lunch bag.*

INTRO TO PIANO / YOUNG CHILD (5-7 YEARS)

60 minute drop-off class

Semester 1 & 2

We will explore beginning piano skills, note reading, rhythm, hand positioning and Mozart. Everything your child learns later in semesters 3 & 4 begins with this early introduction to singing, reading, and writing music and rhythm. Through dances and games that focus on rhythmic development, we’ll learn a keyboard instrument—the glockenspiel, which will be used throughout all the Young Child classes. At Home Materials provide the music, instruments, stickers, and activities for a home version of the same playful activities from class, so your child (and you!) can learn where most comfortable: at home. *Home Materials: Children’s Folder with stickers, games bag, and Music At Home Cards, Family Songbook, CD of music from class, glockenspiel, and canvas bag (during first semester).*

IMAGINE THAT! (3-5 YEARS)

Hello Weather! Let's Play Together!

A weather-related musical adventure. Preschoolers create storm sounds with a drum to “Wild Storms,” jump in pretend puddles to “Mud Puddle Jump,” throw pretend snow-balls to “Snowballs,” and sing along to “Colors of the Rainbow.” With weather as our learning theme, we explore musical styles that range from Opera to American folk, and become more self-sufficient in a creative musical environment that integrates music, pretend play, storytelling, movement, and more. *Home Materials: Two books, Hello Weather Play Set, two CDs, 46-page Family Activity Book, and two instruments—ankle bells and rain shaker with scraper.*

Semester 3

Appalachian music is a featured musical style this semester. First, you and your child will build a two-stringed dulcimer instrument with materials that we’ll provide. Then in class we’ll learn to play chords and simple melodies on the instrument you built together. We will also continue beginning piano skills, note reading, rhythm, hand positioning and Mozart. We’ll explore rhythm concepts through dance with an introduction to the basic steps in jazz, ballet, and tap dances. *Home Materials: Dulcimer-making materials, activity cards, and CD.*
