

## FAMILY TIME (0-5 YEARS)

Young kiddos and trains make a natural match—always on the move. Tag along this summer with a traveling zoo train.

Bring your own stuffed animals for the petting zoo. Wear long white socks on your hands for polar bear paws and learn about real animals in the zoo. Sing songs for clapping time, and use music to help children regulate emotions. *Home Materials: Zoo Train book, Home CD, animal shaker instrument, and poster.*

**KATIE SHINDEN** As a new mom, Katie discovered the wonders of Kindermusik when she and hubby Bruce brought their twins Seth and Kira to their first Village class at the age of 5 months. They are now 5 years old and are Kindermusik veterans, and two year old Tessa loves her Our Time class! Katie has had a lifelong passion for music that includes singing in choirs and playing piano during her childhood, being a radio DJ on KCSB and KUSF from 1987-1999 as well as a ten-year stint as a bass guitarist and vocalist in an all-female rock 'n' roll band.

**MOLLY MARKSTRUM** A licensed Kindermusik Educator, Molly attended Columbia College in Chicago where she performed and studied music. She plays several musical instruments including piano, cello, guitar and percussion. Her beautiful soprano voice has gained her a position in the Santa Barbara Choral Society. Molly has also taught Kindermusik in the Santa Barbara area and her passions are composing music and working with young children. She has been around music and children for her whole life and has been enjoying getting to know the Kindermusik families in the Ventura area.
