Teacher Katie Shinden is a Kindermusik educator and program director. She discovered the wonders of Kindermusik when she attended her first class with her twins at age five months. Teaching since 2005, she has combined her lifelong background in music with a passion for children into a program now thriving in five locations.

Teacher Jadzia Winter has been an accredited Kindermusik educator since 2017. After completing her masters degree at the East 15 Acting School in the UK, she has been back in Ventura since 2020, teaching both Kindermusik studio classes, homeschool classes as well as acting classes for young children.
